Shahrukh Malick

Project Coordinator Lead

Houston, TX | 832-929-7642 | shahrukhsarwar94@gmail.com | linkedin.com/in/shahrukh-malick-a6276a196

SUMMARY

Project coordinator lead with 4+ years across telecom, IT and enterprise operations. Keeps 100+ daily deliverables on schedule at 98% on-time completion, automates manual work, and builds the dashboards leadership uses to make decisions. PMP, PSM I and Lean Six Sigma certified.

CORE SKILLS

Project coordination, Agile and Scrum, Waterfall, status reporting, deliverable tracking, stakeholder communication, vendor coordination, budget coordination, UiPath RPA, Power BI, Microsoft Project, SharePoint, CAD and INsora, process improvement

EXPERIENCE

Project Coordinator Lead, Crown Castle, Texas — Sept 2021 to present

- Automated high-volume back-office tasks with UiPath, saving 30+ manual hours a month and reducing errors in billing and delivery workflows.
- Delivered 100+ daily budgets, invoices and purchase orders in MPV at 98% on-time completion across concurrent project tracks.
- Found process gaps and built scalable fixes worth an estimated $250K in annual savings; workflow optimization cut project cycle times 15%.
- Cut tower site approval time 20% by producing CAD drawings in INsora for tower applications.
- Built Power BI executive dashboards that replaced slow manual reporting with live KPI visibility.
- Reduced missed deadlines 12% by introducing proactive escalation protocols.
- Serve as subject matter expert for Verizon’s System & Process Team on operational standards, workflow design and escalations.

IT Technician, University of Houston, Texas — Feb 2020 to May 2021

- Resolved 25+ IT service requests a day across hardware, software and telecom systems while keeping user satisfaction above 95%.
- Supported critical server upgrades that cut campus-wide downtime 18%.
- Led a Microsoft Intune pilot to secure and manage student devices at scale.

Customer Service Supervisor, Burlington, Texas — Jan 2018 to May 2021

- Led 18 associates and raised customer satisfaction from 63% to 78%.
- Grew annual store sales from $1.5M to $1.9M through floor operations, product placement and upselling coaching.
- Hired and onboarded 30+ employees, cutting turnover 10%; designed a cashier training program that shortened checkout times 25%.

VENTURE

Co-Founder, DwelloMate, Houston, TX — 2024 to present

- Co-founded a home automation company delivering end-to-end smart home installations; designed the service lines, pricing and client acquisition pipeline, and manage installation schedules and vendors.
